RE: Notice of Proposed Layoffs dated November 16, 2000

DATE: November 21, 2000

---

Pursuant to Collective Bargaining Agreement CBA Section 8.2(C), LSSA grieves the decision to implement layoffs pursuant to the November 16, 2000 Notice of Proposed Layoffs. The layoffs are in violation of CBA section 7.3(A) and all other applicable provisions of the CBA and other labor law. The layoffs are not being implemented for good faith economic or business related reasons. The employer has failed to consider alternative proposals. The remedy sought is for Notice of Proposed Layoffs to be rescinded. A hearing is requested.
